

COINS Research School of Computer and Information Security

Stig Frode Mjølunes, Steering Committee member
Vladimir Oleshchuk, Steering Committee member
Pankaj Pandey, alternate student representative

Seminar for national research schools, 2014-10-20

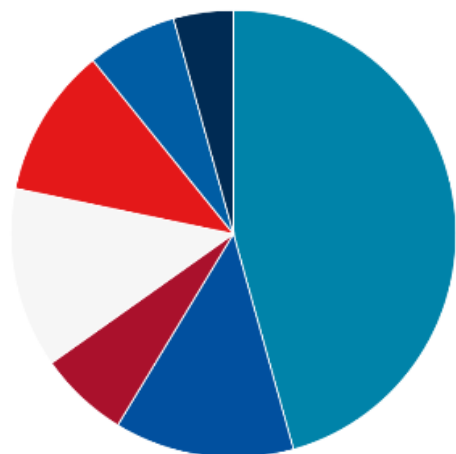

Jan

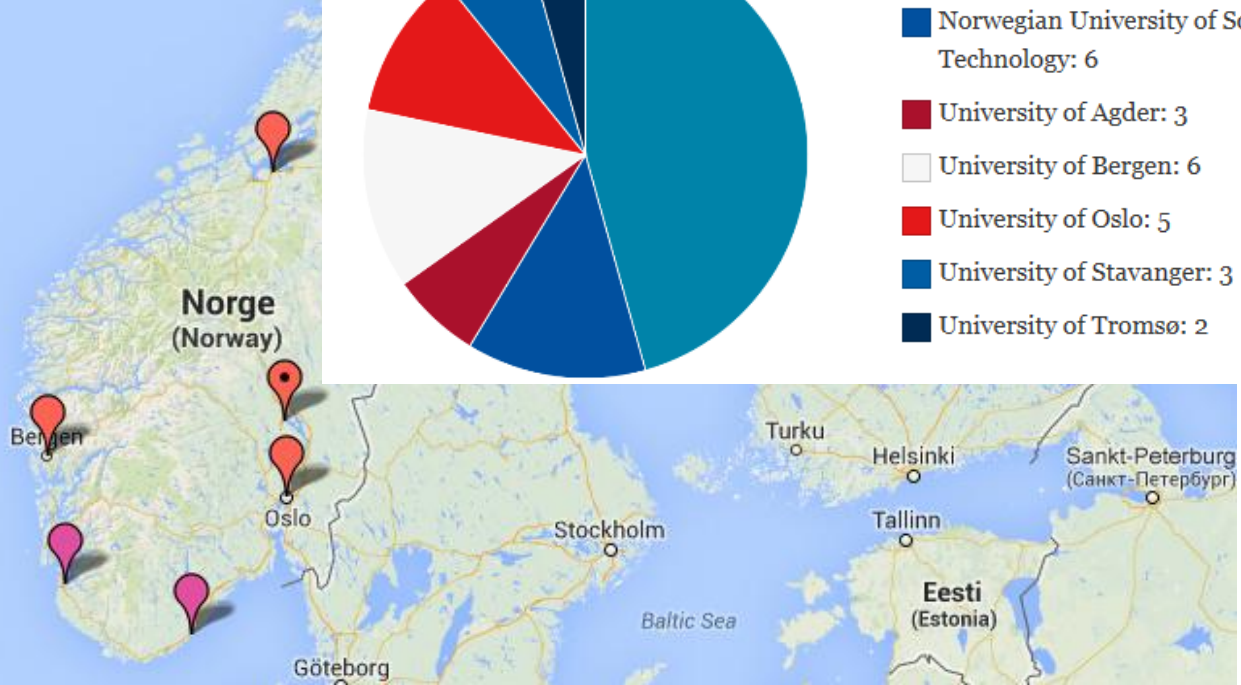

Det skapende universitet

Distribution of 46 active COINS students by consortium members

- Gjøvik University College: 21
- Norwegian University of Science and Technology: 6
- University of Agder: 3
- University of Bergen: 6
- University of Oslo: 5
- University of Stavanger: 3
- University of Tromsø: 2

The background of the slide is a collage of four photographs. The top-left photo shows a group of people sitting at a long table in a room with a brick wall, some are looking at laptops. The top-right photo shows a man pointing at a large computer monitor displaying a website, with other people looking on. The bottom-left photo shows a person's hands holding a glass of wine at a dining table. The bottom-right photo shows a close-up of a person's face, possibly speaking or listening intently.

COINS HIGHLIGHTS 2014

- Networking (Security Divas, SWITS, NordSec, NISK)
Supported students with travel grants
- Ph.D. student seminar (last week)
Assembled 33% of students plus Swedish/European partner network and expert on graduate studies CMU
- Capture the flag team (this week)
International visibility of Norwegian applied IT security
- Finse winter school
- Course descriptions for ECTS recognition
Taught component: winter/summer school, seminar
- Increased visibility
Attract more and better candidates for positions
